**“UNDER OUR SKIN”**  
**A Must See Movie About Lyme Disease**

Lakeside Elementary School, Los Gatos  
Monday, February 7, 2011 at 7pm

**Yes, we live in Tick Country!** We all need to know about the disease carried by these insects. What we don't know is the extent of the problem. Here is an opportunity to learn more which we are sure you will appreciate. Please join us for an informative and much needed “eye opener” to this serious disease called Lyme.

Lakeside Elementary school, Los Gatos CA – Monday, February 7, 2011 at 7pm, the Glenn family and the Lakeside PTA will present a free showing of UNDER OUR SKIN, the critically acclaimed and Academy Award shortlisted documentary by Andy Abrahams Wilson. A 20-time winner at international film festivals, UNDER OUR SKIN investigates one of the most controversial and fastest growing epidemics of our time. A shocking, real-life thriller, this festival hit exposes the controversy surrounding Lyme disease, revealing deep fault lines in our medical research, healthcare and insurance systems. Following the stories of patients fighting for their lives, UNDER OUR SKIN reveals a natural world out of balance and a human nature all too willing to put profits before patients’

Dr. Raj Patel a local recognized Lyme Literate Doctor will be making a brief presentation and answering questions on Lyme and how it is relevant to us in our community. Chronic Lyme disease is the fastest growing vector borne infectious disease, a leading cause of chronic fatigue, and perhaps the most under recognized illness today. Dr Patel has been successfully treating Lyme disease with antibiotics coupled with homeopathy, herbs and immune system modulation. He is an active member of the International Lyme and Associated Diseases Society (ILADS) and continues to actively research this newly identified disease.

Lakeside Elementary school is located at 19621 Black Rd., Los Gatos CA 95033. For additional information about the film and the honors it has received since its release, go to [www.underourskin.com](http://www.underourskin.com) .
